Carpet Shampoo Concentrate is an ideal shampoo concentrate for heavily-soiled carpets and upholstery. It produces a dry foam that doesn't require rinsing.

Carpet Shampoo Concentrate is ideal for rotary machines. It contains optical brighteners to revitalize faded colors and produces an abundance of foam that gently cleans the fibers without overwetting.

Use Carpet Shampoo Concentrate on all types of carpeting.

Directions

Use one 5-ounce pack in 2 to 3 gallons of water. Add to your carpet cleaner.
