White Wings® Fabric Softener reduces wrinkling and eliminates static cling, making it easier to unload, iron, and fold laundry and linens. It leaves towels and wash cloths pleasingly soft. White Wings® Fabric Softener keeps colors bright and won't dull your whites.

Directions

Add to rinse water at start of final rinse cycle. If all cycles have been completed, reset machine to repeat final rinse and add White Wings® Fabric Softener. If used in automatic softener dispenser, dilute White Wings® Fabric Softener with 2 oz. clear water for best results. The same method may be used in any floating dispenser.
