ST-1288	#2012883	012883	N/A	55 gallon drum	515 pounds	4

Concentrated car wash for a spot-free, streak-free shine

- Combines citrus power with strong biodegradable cleaning agents to remove grease and grime from vehicles
- More than twice the cleaning strength vs. competitively priced products
- Safely cleans aluminum, chrome, stainless steel, and more
- For manual hand washing or apply through pressure washer
- Also removes grease and oil from parts, tools, and fabric

Directions

1. Car or truck surfaces should be cool to the touch. Do not apply in direct sunlight. Seek a shaded location.
2. Remove loose dirt with a pre-rinse of cool water.
3. Dilute Extreme Orange Car Wash Concentrate at the rate of 1 part concentrate per 32 parts cold water (1/2 cup per gallon).
4. Apply solution generously with a mitt, sponge or soft towel. Clean one section of the car or truck at a time and rinse promptly with cold water.
5. When washing is complete, re-rinse the entire vehicle with cold water. After most of the water has drained off, dry the surfaces with a chamois or microfiber towel to remove beads of water.

Chemical Characteristics

Appearance	Clear Orange Liquid
Biodegradable	Yes
Corrosive	No
DEA-Free	Yes
Fragrance	Orange Citrus
Non-Flammable	Yes
NPE-Free	Yes
NSF Certified	No
pH (use dilution).....	8.5-9.5
