### ***Gentle hand soap for everyday use***

- Produces a rich lather that cleans your hands without drying them out
- Ideal for use in foaming hand soap dispensers, won't clog the dispenser
- Gentle to sensitive skin and rinses freely
- Hand washing is one of most effective ways to prevent the spread of many types of infection and illness

### **Directions**

- Wet hands with clean running water.
- Apply soap, and lather thoroughly. Scrub well.
- Continue rubbing your hands for at least 20 seconds.
- Rinse.
- Dry hands with a clean towel or air dry.
