- For all washing machines, including standard and high efficiency (HE)
- Whitens and brightens linens and clothes
- Value-sized and packaged in reusable bucket

Directions

Household Use Guide

<p>Carpet Stains: Soak up any excess liquid or residue from stain. Apply solution to stain and rub in gently. Allow to absorb for 5-30 minutes. Blot with towel. Rinse with water. Soak up moisture with towel. Vacuum area when carpet is dry. Do not use product with steam cleaners.</p> 	<p>Kitchen (stains on floors, counters, trash cans, etc.): Apply solution to stain. Allow to stand for 5-30 minutes. Scrub with sponge to penetrate tough stains. Rinse thoroughly with water and allow to dry.</p> 	<p>Bathroom (tile and grout): Wear rubber gloves while preparing and applying Oxy Crystals® Multi-Purpose Stain Remover paste. Apply to surface and allow to stand for one hour. Scrub surface and rinse thoroughly with water.</p> 	<p>General Stain Removal: Apply solution to surface. Allow to stand for 5-30 minutes. Scrub with sponge to penetrate tough stains. Blot with towel. Rinse thoroughly with water and allow to dry.</p>

Non-Flammable	Yes
NPE-Free	Yes
NSF Certified	No
pH (use dilution).....	N/A
Phosphorus	No
VOC Compliant.....	Yes

Ingredients

The primary ingredients in Oxy Crystals® are sodium carbonate, sodium percarbonate, and sodium metasilicate.

Laundry Use Guide

<p>Stain Removal (spot treating): Soak up any excess liquid or residue from stain. Apply solution to stain and rub in gently. Allow to absorb for 5-30 minutes. Do not allow to dry. Rinse with water. Soak up moisture with towel or dry cloth.</p> 	<p>General Cleaning (standard wash): Fill washer with hottest water temperature recommended by garment label instructions. Add detergent and Oxy Crystals® Multi-Purpose Stain Remover before loading clothes. Increase product amount for extra-large washer. HE Machines: use 1/2 scoop & follow machine manufacturer's directions.</p> 	<p>Heavily Soiled & Rescue For Set-in Stains (presoak): Fill washer with hottest water temperature recommended by garment label instructions. Dissolve Oxy Crystals® Multi-Purpose Stain Remover and detergent in the wash water. Pre-soak bright and dark colors for 30 minutes. Pre-soak all other garments for one hour or longer for best results. Increase pre-soak time or product amount for tough stains. Drain wash water and wash using the Standard Wash directions above. This procedure is NOT recommended for HE Machines.</p>
