Ultra-concentrated powdered laundry detergent

- For institutional laundry use
- For all washing machines, including standard and high efficiency (HE)
- Whiter whites, brighter colors
- 50 pounds of great value, packaged in reusable/recyclable pail
- Biodegradable, septic-safe, and phosphate-free
- Fresh lemon scent

Directions

1. SORT clothes, follow garment label instructions, select appropriate temperature, and begin filling water.

HOT	WARM	COLD
<ul style="list-style-type: none"> • Whites • Colorfast Prints 	<ul style="list-style-type: none"> • Permanent Press • Bright Colors 	<ul style="list-style-type: none"> • Colors that Fade or Bleed

2. MEASURE the correct amount of White Wings® Ultra Laundry Detergent and add to washer. For front-loading machines, use ¼ cup White Wings® Ultra Laundry Detergent. Use more for heavily soiled clothes. For top-loading machines, use ½ cup White Wings® Ultra Laundry Detergent. Use ½ cup for big load washers, or heavily soiled clothes.

3. ADD CLOTHES. Let detergent dissolve before adding the laundry. New Color Protectant keeps colors brighter longer. Clothes stay new looking, wash after wash. White wings® Ultra Laundry Detergent optical brighteners makes your whites brilliant. When using bleach with no bleach dispenser, add the bleach 3 times after washing cycle has begun.

NOTE: White Wings® Ultra Laundry Detergent cleans all washable synthetics, colors, whites, cottons, and permanent press fabrics. Because of the heavy-duty composition, it is not recommended for use on silks or woollens. This detergent has a concentrated cleaning strength to remove ground-in dirt, stains, and dulling gray.
