Produce Cleaner

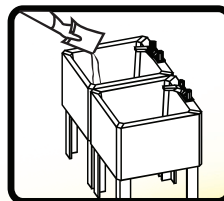

New Item #	Case UPC Mfg. No.	Each UPC Mfg. No.	Case Size	Case Weight	Cases /Pallet	Yield
2509968	071206009968	N/A	72 x 3.5 wt. oz.	16.5 pounds	40	5 gallons

Cleans with the power of citric acid

- Removes contaminants from produce
- Soak and rinse, it's that simple
- Premeasured and concentrated to save you money

Directions

To wash fruits and vegetables with Veggie Prep™, fill sink with 5 gallons (20L) of warm, clear water and dissolve one 3.5 oz. (100g) packet. Use another 3.5 oz. (100g) packet of Veggie Prep™ for each additional 5 gallons (20L) of water. Submerge the produce in the solution for 30 seconds to 1 minute, scrubbing if necessary. After washing, rinse thoroughly with clean water. If using one sink, drain and remove debris before refilling with fresh water for rinsing. If using two sinks, wash in the first sink and then transfer to the second sink to rinse by submerging and agitating with clean water.

Chemical Characteristics

Appearance	White Powder
Biodegradable	Yes
Corrosive	No
DEA-Free	Yes
Fragrance	None
Non-Flammable	Yes
NPE-Free	Yes
pH (use dilution).....	3.0-5.0
VOC Compliant.....	Yes

Ingredients

Citric Acid, sodium carbonate, sodium dodecyl benzyl sulfonate.
