### ***Powdered alkaline cleaner for meat smoking/processing areas***

- Apply by soaking, steam-gun, or mopping
- Removes grease, oil, fats, and smoke film from meat smoking operations
- Cleans tile, stainless, trolleys, carcass hooks, hangers, and more
- Contains Penewet, a penetrating oil, to separate waste and foreign material from difficult-to-clean surfaces
- NSF Certified: A2

### **Directions**

1. Start cleanup as soon as possible after operations stop.
2. Flush surfaces with warm water immediately after using.
3. Try to avoid cleaning hot surfaces.
4. Always use SMOKEHOUSE CLEANER as a solution by dissolving it in water. Start by dissolving 4 ounces per gallon of water and adjust strength up or down until you have found the proper concentration to do the job best.
5. Have solution as hot as practical.
6. SMOKEHOUSE CLEANER solutions are best applied by spraying.
7. Rinse and sanitize according to local health regulations.

### **Chemical Characteristics**

Appearance .....	White Powder
Biodegradable .....	Yes
