Brisk® Ultra Green cleans, brightens, and freshens your clothes using less detergent per washload. Its powerful suds will cut through your toughest stains in hard or soft water and at all water temperatures. Outstanding cold water performance. Septic safe. For standard and HE machines.

Directions

Use 1 pack of Brisk® Ultra Green Laundry Detergent per average washload for automatic washers. Use more for heavily soiled articles or hard water. Pre-treat heavily soiled articles by applying Brisk® Ultra Green directly on soiled area and rub firmly. Add to washload; no presoaking is necessary.

Personal Protective Equipment: Wear protective gloves. Wear protective eyewear.

Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.

Improper dilution or improper use of this product may result in skin and eye irritation, damage to surfaces and unsatisfactory cleaning performance.

Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.
