Biodegradable	Yes
Corrosive	No
DEA-Free	Yes
Fragrance	Citrus
Non-Flammable	Yes
NPE-Free	Yes
pH (use dilution).....	8.5 to 9.0
Phosphorus	No
VOC Compliant.....	Yes

Directions: Once mixed with water in a spray bottle, apply Tiny House® Multi-Surface & Stainless Cleaner to any sealed surface. Tiny House® Glass & Mirror Cleaner cleans the surface leaving behind a residue-free clean and fresh citrus fragrance! Simply pour contents of one 2 oz. premeasured concentrate pack of Tiny House® Multi-Surface & Stainless Cleaner into a 32 oz. spray bottle and fill to the neck with water to create your next bottle of ready-to-use solution. Apply to entire surface, then wipe dry. Damp Mopping: One 2 oz. premeasured concentrate pack to two gallons of water for residue free mopping.
