

Dispenser-Free Control Systems®
No hardware. No plumbing. No problems.

Foodservice Industry

Simplify your Cleaning System

STEARNS®

Premeasured Solutions for Foodservice Professionals

Workplace Safety & Consistent Results | How do these challenges impact your business?

As a foodservice professional, your time is short and often hectic. You wear several hats—you schedule staff, train employees, and provide customer service—all while staying in compliance with quality and safety standards. Don't limit your staff's effectiveness with outdated equipment and methods.

Let Stearns simplify the cleaning process and exceed your expectations with the next generation of *Dispenser-Free* Control Systems - **One Packs™ Foodservice Sanitation System**.

You will find benefits you can believe in.

- Productive workers
- Consistent results
- Easily-trained workers
- Better bottom line
- Low startup costs

MONEY SAVING CALCULATOR

TOOLBOX

Workloading Wizard

Get you money saving answers:

- How many minutes will it take to complete a task? Clean an area?
- What happens to my cost when I add or subtract space?
- How do I choose the best cleaning method or maintenance plan?
- What will a wage increase do to my bottom line?
- How does a change in task frequency affect the cost?
- How many FTEs will be required?

Visit stearnspkg.com for more innovations.

Go Dispenser - Free Now!

Get your staff started right with the Stearns One Packs™ Inventory Control System. Switching your operation over to One Packs™ couldn't be easier: there is no costly equipment, special training, or fixed water hook-ups required. The simplicity, standardization, and performance make the Stearns System the easiest program on the market to introduce into your facility.

Take the next step. Contact a qualified Stearns representative today, and get started!

Eliminate trouble-prone dispensing machines. Just add one color-coded pack to water, and that's it for predictable, consistent results.

One Packs™ Foodservice Sanitation Products | Simply training for maximum effectiveness.

Whether you operate a quick service restaurant, full service restaurant, convenience store, cafeteria, or catering business, Stearns offers you the simplicity and results you expect. The Stearns **One Packs™ Foodservice Sanitation System** provides you with six ideal One Packs™ products to streamline the kitchen and dining area cleaning process. The system delivers the enhanced training, portion control, and color-coded accessories you need to succeed. Find value with the simplicity, standardization, and performance of One Packs™.

FLOOR CARE

TreadMate® Quarry Tile Cleaner

For use on quarry tile, ceramic tile, concrete, brick, and vinyl floors. Improves slip-resistance by eliminating greasy build-up.

#2307186 - 36 x 4 fl. oz. per case. One pack makes 16 gallons for sanitizing or 64 ounce stock solution.

Use with #2999594 pre-printed spray bottles, #2999563 stock solution bottle, and #2999617 Sanitizer/Disinfectant bucket.

EPA Reg. No. 10324-63-3640

KITS

GS 5-Point Green Cleaning System® ONE PACKS®

#2390201 - Filled with a combined total of 70 packs of the following top-performing One Packs®: Pathostat 64, GS Neutral Cleaner Concentrate, GS Extra-Strength Cleaner Concentrate, GS Window Cleaner Concentrate, and GS Restroom & Bowl Cleaner Concentrate. Includes: silk-screened bottles & sprayers, SDS's, training materials, pack openers, mixing hose, and instruction book "GS 5-Point Training and Safety Guide".

FLOOR CARE

All-Purpose and Degreasers

Bio-Active Plus® ONE PACKS®

No rinse formula. Perfect for institutional kitchens, restaurants, food processing plants, schools, and businesses. Enzyme-fortified to remove grease, waste, and odors from floors, surfaces, and drains. Use to mop around urinals and toilets, locker rooms, dumpsters - wherever persistent odors are a problem.

#2308220 - 72 x 2.5 fl. oz. per case. One pack makes 2 gallons for mopping or 1 quart for spray cleaning.

TreadMate® Quarry Tile Cleaner ONE PACKS®

Professional strength for safety and performance. Low-level hydroxyacetic and citric acids power out greasy soil without slippery alkaline residue. Penetrates deep into tile cracks and grout lines. Use on quarry tile, ceramic tile, concrete, brick, and vinyl floors.

#2308800 - 60 x 2 fl. oz. per case. One pack makes 4 gallons.

4Pines® Deodorant Cleaner ONE PACKS®

Real Pine Oil for mopping floors, washing walls, animals quarters, trash receptacles and more. Heavy duty cleaning for stubborn build ups like grease, crayon, and wax. Can also be used for laundry.

#2308121 - 72 x 2 fl. oz. per case. One pack makes 1 gallon.

BAR-MASTER® PROGRAM

High Suds Bar Glass Cleaner Bar-Master®

Specifically formulated to clean glassware. For use with manual brushes and when washing glasses by hand.

#2576502 - 100 x 0.5 wt. oz. per case. One pack makes 3 gallons.

#2508552 - 2 x 4 lbs. per case. 1/2 scoop makes 3 gallons.

Low Suds Bar Glass Cleaner Bar-Master®

Minimal sudsing with excellent rinsing ability. For use with electric brushes.

#2576601 - 100 x 0.5 wt. oz. per case. One pack makes 3 gallons.

#2508569 - 2 x 4 lbs. per case. 1/2 scoop makes 3 gallons.

Powdered D-Lime-X Bar-Master®

Conditions hard water to prevent water spots on glassware and utensils. Add to the first and last sinks for more effective cleaning and sanitizing.

#2576809 - 100 x 0.5 wt. oz. per case. One pack makes 6 gallons.

Steramine® Sanitizer Bar-Master®

Sanitizes glassware and utensils. No potable rinse is allowed after sanitizing. Air dry only.

#2376700 - 100 x 0.75 fl. oz. per case. One pack makes 3 gallons.

EPA Reg. No. 10324-63-3640

GRILL CLEANER

GrillMate™ ONE PACKS®

Glycerin-based grill or griddle cleaner for use in institutions and commercial kitchens. Fast acting formula easily removes grease and build-up. Non-flammable and safe to use on hot surfaces — no need to shut down the grill.

#2307865 - 48 x 3 fl. oz. per case. One pack per grill.

U.S. EPA's Safer Choice Program

COFFEE CLEANER

Coffee Cleaner ONE PACKS®

Granular concentrate removes coffee stains and build-up from coffee makers and coffee pots. Ideal for hotel guestroom or convenience store coffee makers and coffee pots. After cleaning hotel in-room coffee pots, sanitize with Steramine #2307186 and the #2999563 Stock Solution bottle.

#2508084 - 100 x 0.25 wt. oz. per case. One pack per coffee pot.

PRODUCE WASH

Veggie Prep™ ONE PACKS®

Concentrated produce cleaner, with citric acid and other natural ingredients.

#2509968 - 72 x 3.5 wt. oz. per case. One pack makes 5 gallons.

WINDOWS & STAINLESS

1. **No Waste** – Premeasured One Packs™, Water Flakes®, and Quik Tank make perfect solutions without over-mixing.
2. **Save Money** – Pay for cleaning strength, not water or expensive dilution-control equipment.
3. **Easy Training** – No special instructions, just add one color-coded pack to water and that's it.
4. **Less Storage** – Store concentrated packs, not gallon containers or drums.
5. **Inventory Control** – Packs are easily counted for inventory and budgeting.
6. **No Special Equipment** – Eliminate complicated, trouble-prone dispensing machines.
7. **Product Selection** – More than 60 products for the most complete premeasured line in the industry.
8. **Mix-and-Match Systems** – Build your own systems for unique cleaning applications and facility requirements.
9. **Color Coding** – Makes proper identification and staff training easier.
10. **Low Entry Cost** – No costly set-up or capital investment means you can get started right away!

Beyond the Kitchen

Environmentally preferred solutions for the entire facility.

Scan to see complete Water Flakes® line

Complement your foodservice program with these Water Flakes® products: Pot & Pan Detergent, White Wings® Ultra Laundry Detergent, and Bowl Cleaner.

Water Flakes®

Quick and simple water-soluble packets.

To complement our innovative One Packs™ premeasured system for liquids, Stearns has developed the revolutionary Water Flakes® water-soluble packets for powder concentrates.

Water Flakes® are exact portions of powdered cleaning concentrates, packaged in a water-soluble film that dissolves quickly in water. Just toss one into water, and you have the perfect-strength solution in seconds – without measuring, pouring, or even opening any packages.

Water Flakes® are now available in flexible packaging, offering nine different formulations. Six are recognized for safer chemistry by the US Environmental Protection Agency's Safer Choice program. Contact your Stearns representative for information on the entire Water Flakes® line.

The U.S. EPA's Safer Choice program helps consumers, businesses, and institutional buyers identify cleaning and other products that perform well and are safer for people and the environment.
