Essential Floor™ Cleaner Concentrate is a mild concentrated pH neutral floor cleaner designed for mopping floors and for cleaning all washable surfaces. It contains no caustic, abrasive, or any harsh ingredients that mar fine floor finishes.

Essential Floor™ Cleaner Concentrate works equally well in hard or soft water. It leaves floors sparkling clean without a film or streaks.

Directions

To use Essential Floor™ Cleaner, simply mix one 2-ounce pack with 4 gallons of water for effective and efficient damp mopping. The powerful yet gentle formula is designed for everyday use and is safe for a variety of flooring surfaces, including hardwood, laminate, and tile. For larger areas or commercial settings, the solution may also be used in automatic floor scrubbing equipment without leaving streaks or residue. Enjoy a clean, fresh floor with a formula that's tough on dirt but safe for your space.

Personal Protective Equipment: Wear protective eyewear if contact is possible.
Unused Product Disposal: Unused product or its solutions may be poured down the drain. Never pour unused product or its solutions down an outdoor drain.
Improper dilution or improper use of this product may result in eye irritation, damage to surfaces and unsatisfactory cleaning performance.
Pack Recycling: Empty packs should be rinsed out with cold water and then placed for recycling where accepted.

Chemical Characteristics

Appearance	Clear Bronze Liquid
