Pure. Powerful. Naturally Simple.

Crafted from 100% pure coconut oil, Valley View® Castile Soap is a versatile cleaner and body care essential. It's rich, creamy lather cuts through grease and grime while staying gently on skin. Free from synthetic detergents, and artificial fragrances – just pure, biodegradable clean you can trust for yourself, your home and the planet.

Hand soap for everyday use

- Refill size for hand soap dispensers
- Produces a rich lather
- 100% pure coconut oil
- Gentle to sensitive skin and rinses freely
- Hand washing is one of most effective ways to prevent the spread of many types of infection and illness

Directions

Highly concentrated – dilute before use. A little goes a long way!

Hand, Face & Body Wash: a small squirt on wet hands or washcloth. Lather and rinse. 1 part soap to 3 parts water in foaming dispensers.

Shampoo: wet hair and apply ½ teaspoon of soap. Lather and rinse thoroughly.

Dish: mix 1 part soap with 10 parts water. Apply with sponge or brush. Rinse with hot water.

Laundry: use ¼ cup of soap in HE machines, ½ cup for top-loaders.

Floors: use ¼ cup per gallon of warm water.

Pets: dilute 1 tablespoon of soap in 2 cups of water. Rinse thoroughly.

Shaving: use full-strength or lightly diluted for a smooth, moisturizing lather.

Degreaser: use full-strength on tough build-up. Rinse with warm water.

Chemical Characteristics

Appearance	Amber Liquid
Biodegradable	Yes
Corrosive	No
DEA-Free	Yes
Fragrance	Coconut
